RIVER EXPEDITIONS

## Multi Day River Trips

**For the complete river experience, escape with Echo Canyon and Four Corners for a two to four day adventure on the mighty Arkansas River or any of the other rivers we offer!** A variety of trip options are available, and itineraries can be created to accommodate families, scouts, corporate groups or your group of friends. One of our Multi-day Coordinators will assist you in finding the perfect combination for your specific group. The minimum group size is 4, but smaller parties are welcome to join existing trips.

After a thrilling day of whitewater, sit back and relax in camp or try your luck fishing the banks of the river while your guides prepare a fresh and delicious three course meal. Fall asleep to the sounds of the rippling water, and wake up to a hearty western style breakfast followed by more scenic river fun! All trips include meals beginning with lunch on the first day to lunch on the last day.

Most groups choose from our Deluxe line of trips which includes all of the gear you will need to enjoy your wilderness river adventure. Deluxe trips include a complete on-river apparel package consisting of a wetsuit, river shoes and splash jacket for the duration of your trip. Your camping equipment is included with this package and is comprised of top of the line sleeping bags, comfortable self-inflating sleeping pads and spacious out-fitter-style tents. Please note sleeping bags are professionally dry cleaned prior to your arrival. Every member of your party on our Deluxe trip also receives a waterproof camera, Nalgene-type water bottle and sun screen.

We understand that some groups are traveling on a budget and for those groups we offer our Custom line of trips, which allows a la carte additions to our standard multi-day trip. Choose to rent our on-river apparel, sleeping bags, sleeping pads or tents as you need them, and we will build a trip to your specific requirements.

Contact our office at

## OVERNIGHT CAMPING GUEST CHECKLIST

Deluxe Multi-day trips include tents, sleeping bags, sleeping pads, as well as wetsuit, splash jacket and river shoes. A waterproof camera, Nalgene-type water bottle and sunscreen are also provided to each Deluxe guest. This equipment will be reserved automatically at the time of booking a Deluxe trip. For those Custom Multi-day guests renting our gear, you will need to reserve rental camping items in advance. We cannot guarantee availability without advance reservations.

### NECESSARY:

- Tent\*
- Sleeping bag\*
- Sleeping pad\*
- Flashlight
- Long pants
- Pair of shorts
- Long-sleeve t-shirt
- Short-sleeve t-shirt
