Raft & ATV Package

On our Raft & ATV trip your party will need to check in at the Echo Canyon office 45 minutes prior to your trip's departure time. Arrive in clothing appropriate for rafting or use our changing facilities. You may use your car as a locker for all valuables and our office will keep your keys on our key board while you are on the trip. We will depart the office and travel about fifteen minutes to the launch point for your raft trip.

For those groups choosing Bighorn Sheep Canyon, you will enjoy miles of exciting and splashy whitewater through a number of class II and III rapids. While navigating the rapids you may see Bighorn Sheep, Golden Eagles and a variety of other wildlife along the rugged canyon slopes. An Echo shuttle will then bring you back to our river office where photographs of your raft trip will be awaiting you inside our office; be sure to check out who was really paddling! Feel free to grab a bite to eat at our 8 Mile Bar & Grill or bring a picnic lunch to enjoy on our lawn.

For those booking our Royal Gorge ATV package, you'll paddle ten miles of exciting class III and IV whitewater with impressive views as we travel through the 1200 foot deep Royal Gorge of the Arkansas River. An Echo shuttle will return you to the Echo office where your rafting photos will await you. Feel free to grab a bite to eat at our 8 Mile Bar & Grill or bring a picnic lunch to enjoy on our lawn.

Next, you'll change into attire appropriate for ATV riding; closed-toe shoes and jeans or long pants are required. Helmets, goggles, gloves and rainwear are provided free of charge at Play Dirty. You need to arrive at Play Dirty's office by 2:00 p.m. for your two hour ATV ride. The pace of the trip is determined by the skill level of riders, and all ATV guides are First Aid trained. Your ATV tour takes you well above the Arkansas River Valley and offers awesome views of snow-capped 14,000 foot peaks. You will return to Texas Creek Junction at about 4 p.m. Call us at Echo Canyon for more details or to check availability!
