## Royal Gorge Cabins Offers Luxury Accommodations for Holiday Guests

CAÑON CITY, Colo., September 5, 2018 - When the holidays roll around, it's always nice to know where the best accommodations in the area are. In Central Colorado's historic Cañon City, that would be [Royal Gorge Cabins](#).

Opened in 2017, the cabins are located within minutes of the Arkansas River and the [Royal Gorge Bridge & Park](#).

Royal Gorge Cabins are owned and operated by [Echo Canyon River Expeditions](#), one of the oldest and largest tourism companies in the Royal Gorge region. Named one of the country's [top adventure resorts](#) by *U.S. News & World Report*, the resort offers a variety of whitewater rafting adventures on the Arkansas River during the summer.

The Royal Gorge Bridge & Park is located just minutes away.

“Whether you want to spend the night after enjoying the [Royal Gorge Route Railway’s Santa Express](#) or put up your out-of-town guests, we have you covered,” said Andy Neinas, owner of Echo Canyon River Expeditions. “After rafting season ends, we see more guests looking for a home base for area attractions or a quiet romantic getaway.”

#### **About the Royal Gorge Cabins**

The nine luxury cabins, open year-round, include six two-story, 800-square-foot, two-bedroom, one-and one-half-bathroom loft cabins and three 600-square-foot, one-bedroom, one-bathroom king cabins. Cabins have a maximum capacity of four occupants in the loft cabins and two occupants in the one-story cabins. All have expansive southwest-facing views of the Sangre de Cristo Mountains.

The living areas include a fully equipped galley-style kitchen, flat-screen television, eat-in granite bar and leather couches. A highlight of each cabin is an ambiance-maximizing double-sided gas fireplace that can be enjoyed inside and outside and 400 square feet of outdoor living space featuring drought-tolerant plantings such as blue fescue and Karl Forster grasses.

The luxury cabins are decorated in contemporary mountain style with fireplace mantles created from locally sourced timber from the original Royal Gorge Bridge, which was damaged after wildfires destroyed much of the park in 2013.

Rates start at \$355 for single cabins and \$419 for cabins with two bedrooms.

Reservations for the cabins and glamping tents can be made online at [www.royalgorgecabins.com](http://www.royalgorgecabins.com) or by calling 1-800-748-2953.
